Our thanks to Mrs. Walsch for naming the yearbook the "Omnibus."

Omnibus — People and Places,

Collection of Memories of Many Captured in the Following Pages

ACKNOWLEDGEMENTS

We the 1973-74 yearbook staff of Freeland Middle School would like to thank the following people for their contributions in helping to make this book possible.

Our thanks to Mr. Hoelzle for helping to take pictures and in processing poor negatives - his dark room magic. To Mrs. Walsch for her concern, effort, name, and time spent with the yearbook staff. Mr. Lewis for putting up with our disorganization. We would like to thank the teachers for their patience, Mr. Wolf, our photographer, Diane Grzesiak for working her fingers down to the bones typing for us, and Mr. Perry for being a great advisor, standing beside us all the time, and pushing us to meet our deadline.

Thanks again to these people.

Fifth Grade Advances

This has been an exciting year for the fifth graders. It is their first year in our Middle School, and for some students, their first year in band. They have been very unique and interested in the Middle School, and also the Middle School Newspaper. They have bought more issues than any other grades this year. We congratulate each and every fifth grader for going through a very fine year in Middle School.

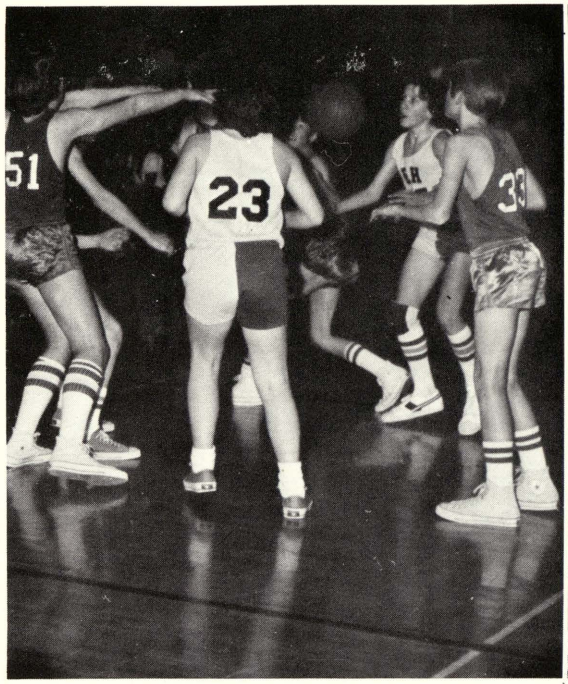
Roundball Comes to Middle School

The seventh grade basketball team has a disappointing season. Their final record was a lot of hustle and team play involved. They gave their opponents many good games. We hope they do better next year.

The eighth grade team had a fine season. Their final record was 8-4. The team play was great, and the boys worked together like a family. The Falcons finished third at the Hemlock tournaments. Be looking forward to a fine High School Basketball team in the near future.



Scramble for the ball.

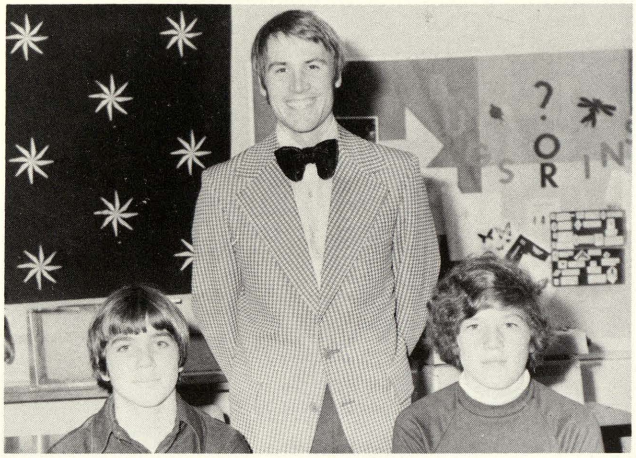
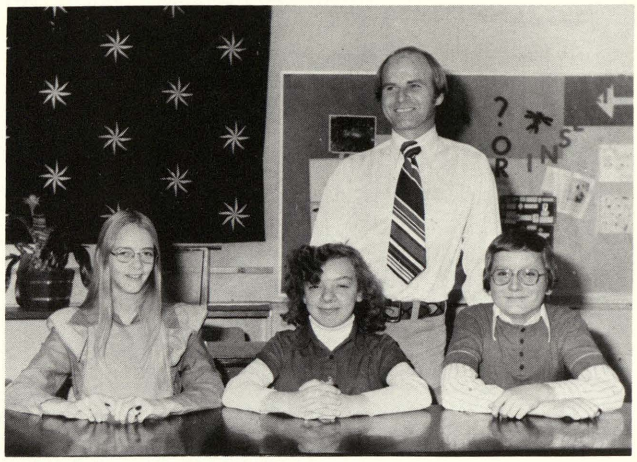
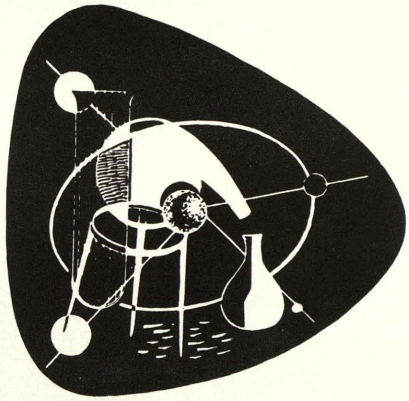
Science Quiz Teams



L. to R.: Doug Armato, Advisor - Mr. Hoelzle, Marc Young.



L. to R.: Pam Garret, Linda Barthel, Steve Potenberg, Advisor - Mr. Perry.



This years Science Quiz was represented by the cream of the crop. Two teams were selected with many alternates ready and eager to compete on W.N.E.M. T.V. As a first, the teams competed in front of a live audience. Team one was defeated by Midland Jefferson in an exciting match and team two fell to the quick hands and sharp answers of Bullock Creek.
